

DYNAMICS MULTIPRO

Beyond The Expectations

**Rigid PVC
Electrical Conduit Pipes
& Accessories**

About Company

Dynamics Multipro, based at Bhusawal, District Jalgaon, is a prominent manufacturer specializing in Rigid PVC Electrical Conduit Pipes and Accessories.

Our commitment to excellence drives us to seamlessly blend innovation with quality, ensuring the delivery of reliable solutions for electrical conduit needs. With a focus on precision and durability, we stand as a trusted name in providing top-notch products that meet industry standards.

Vision

Pioneering innovation, reliability and customer satisfaction in electrical solutions, expanding globally.

Mission

Leading the industry with superior quality PVC Electrical Conduit Pipes & Accessories for seamless and safe electrical systems.

Bending Characteristics :

- At Room Temperature - No cracks visible to normal or corrected vision without magnification.
- At -5 Degree C (+/-2 Degree C) - No cracks visible to normal or corrected vision without magnification.
- No cracks visible at 180° bending.

Compression Characteristics :

- Percentage of Compression with specified load is less than 25%.
- Percentage of Compression without load is less than 10%.
- Retains the original shape on the removal of the force.

Impact Characteristics :

- High Impact Strength.
- No cracks will be visible to the naked eye.
- There will be no sign of disintegration.

Thermal Characteristics :

- Working Temp. = -5 DEGREE C. To +70 Degree C.
- Burning Rate = Self Extinguishing.
- Flammability = UL94V-0
- Flame Die Out Time = less than 30 seconds.

Electrical Characteristics :

- Electrical Strength = No Breakdown Observed At 2000V.
- Insulation Resistance = Min 1000 Mili Ohms.

THE PREMIUM CHOICE

Our Premium Brand Solution...

☒ Exemplary Quality :

FYRX stands out as the premium choice, offering unparalleled quality in the heavy price range within Dynamics Multipro's product lineup.

☒ Cutting-Edge Technology :

With FYRX, you invest in state-of-the-art technology and advanced manufacturing processes, ensuring top-notch performance in rigid PVC electrical conduit pipes and accessories.

☒ Durable and Long-Lasting :

Designed for heavy-duty applications, FYRX products boast exceptional durability, guaranteeing a long-lasting and robust electrical infrastructure.

☒ Precision Engineering :

FYRX products undergo precision engineering, aligning with the highest industry standards to deliver reliability and consistency.

☒ Comprehensive Solutions :

Tailored for heavy-range electrical conduit needs, FYRX provides comprehensive solutions that go beyond basic requirements, making it the premium choice for discerning projects.
